

# UCSD SOCIAL INNOVATION SPRINT X BORDER ISSUES

Compete in a 'Hackathon' for Social Good

*Environmental Justice.*

*Healthcare access.*

*Sustainable education.*

*Border crossing and migration.*

**APRIL 14TH  
+ APRIL 21**

Join teams of high school, undergraduate, and graduate students to define, prototype, and pitch multidisciplinary solutions for contemporary border issues to a panel of CEOs, educators, and city officials!

>Open to all majors - not computer science focused

>Have the opportunity to create projects with real world impact

>Compete for \$15k of prizes that support your project idea
