Dear Student,

We are excited to announce that the CSE MS program will be having a **CSE BS/MS Program Information Session Webinar** for students who are interested in learning more about the **CSE BS/MS Program**! The session will be on **Wednesday, March 23rd at 10:00am Pacific Time** (the session is estimated to be around 30-40 minutes).

If you are interested in attending our session, please complete this [SIGN-UP FORM](#). Closer to the date of the event, we will send you the Zoom link to join the webinar.

*Please note: if you have attended the session on February 7th or February 23rd, the same information will be presented in this session.*

We will be covering the following topics in the webinar:
- Advantages of the BS/MS program
- Application requirements
- A brief overview of the CSE master’s program

**PLEASE NOTE:** there will be no open Q&A segment in this webinar. We will try to address as many questions as possible in the webinar that students have listed in the Google sign up form.

If you have any questions or concerns after the webinar, we encourage you to contact us via email at cse-gradinfo-bs.ms@eng.ucsd.edu and we can further assist you.

We look forward to seeing you all there!

Warm Regards,
CSE MS Team
